*Dear General,*

July 18, 75

I have safely arrived in the US more than two months ago and am now living in Falls Church. I would like to express my deepest gratitude for your agency's help in getting me and my immediate family out of Viet Nam. I meant to call on you but I realized that you must be snowed under work these days, so I did not dare.

It was very painful for me to leave Viet Nam for I love my country so much. Had some good decisions been taken, Viet Nam could still be saved. However deep my feelings for my country are I feel that I should learn to forget-although it is difficult- and devote all my attention to start a new life in this country. The conditions are not very favorable now; I have been job hunting for the past two months, but nothing has turned up yet.

I know that I am abusing your friendship and your help, but I would be most grateful if you could help me in the difficult task of finding a job. Such a job would be a good break for me, for it will help me support my family. I take the liberty to enclose herewith my Curriculum Vitae.

If you are not too busy I would be most happy to see you again to thank you for all you have done for me and to renew our friendship.

Looking forward to hear from you, and with renewed assurances of my highest esteem, I remain

Sincerely yours,

Lt, Gen. Vernon Walters
